3. Eligibility of tenderers assessment or Evaluation

To be considered for the technical and financial evaluation of the tender, bidders are required to fulfil the eligibility requirements. (see the attached Eligibility of candidates/tenderers assessment grid as **Annex 2).**

The Eligibility of candidates/tenderers I will be evaluated based on the criteria and weghting as Annex 2. Please fill in Self-Statement of eligibility form as **Annex 3.**

4. Technical and Financial Assessment or Evaluation

We will evaluate the bids received in the light of both technical and price considerations (see the attached **Technical Evaluation Grid as Annex 4).**

The technical proposals will be evaluated based on the criteria and weghting as Annex 2.

When the technical evaluation has been completed, the financial proposal of those bidders which are eligible from the technical point of view will be opened and evaluated by the commercial officer responsible. The technical and financial proposals are weighted at a ratio of 70:30 respectively. The technical bid will be weighted with 70% and the financial proposal with 30% on the basis of the following formula: (Technical points obtained by Bidders

X divided by the best number of points) x 70 % + 30 % x (Lowest price divided by the price of Bidders X).

$$\frac{\text{Technical evaluation of bid}}{\text{Technical evaluation of best bid}} \times 70\% + \frac{\text{most economical bid}}{\text{price of bid}} \times 30\%$$

An overall order of rank is thus established, with the most cost-effective bid at the top.

GIZ shall have the right to invite the bidder for a presentation as part of the technical evaluation, if deemed necessary.
