

Areas and Stakeholders in Cooperation

International Competence Development in Technical and Vocational Education and Training (TVET)

TOPICAL AREA: Cooperation with the Business Sector

The training aims to empower the target groups to improve demand orientation, effectiveness and efficiency of the TVET system by establishing and improving cooperation between TVET institutes and the industry.

Participants will get a basic training on how to initiate, plan, conduct and evaluate cooperation.

- **Content, elements, format and duration can be customized to the respective needs.**

This topic includes the following courses:

Course 1: Linking TVET Institutes with the Private Sector

Course 2: Empowerment of Stakeholders from the Business Sector in priority Topics

The courses can also be combined into one course to connect TVET institutes with the private sector directly during the training.

LEARNING OUTCOMES

On completion of the training, participants

- are able to identify suitable cooperation areas and partners
- have an overview of the different areas, types, costs and benefits of cooperation
- are able to analyse key elements, scope, requirements, benefits, obstacles and stakeholder interests of cooperation
- are able to proactively establish, organize and develop cooperation between their TVET institution and (local) companies
