WHAT IS PSYCHOSOCIAL SUPPORT?

STRENGTHENING FAMILIES
Support family members to constructively deal with life's challenges and to treat each other respectfully.

STRENGTHENING COMMUNITIES
Support community members to live and work together peacefully.

STRENGTHENING INDIVIDUALS
Support individuals to deal with their situation so that they can feel safe and confident in their daily lives.

STRENGTHENING HEALTH SECTOR PROFESSIONALS
Support staff to stay healthy and train them to be able to provide Psychosocial Support services.
