### Grants and procurement contracts awarded in 2017

Grants		
Nature and purpose of the contract	Name and locality of the grant beneficiary	Amount of the contract (EUR)
The primary aim of the Project promoted by the grant is to coordinate activities of the ELD working group on policy dialogue in the context of the new ELD/EU project in eight countries in Africa. This will include stakeholder and context assessments, policy dialogue, development and dissemination of communication tools as well as support in capacity building activities.	Stockholm Environment Institute (SEI), Sweden	115.000 EUR
The primary aim of the Project promoted by the grant is to coordinate activities of the Capacity Development working group of this ELD/EC project, to develop a didactical concept for the knowledge transfer of ELD related data and methodology to national research experts and decision makers and to carry out a training/workshop for selected institutions within each of the eight project partner countries in Africa.	The Australian National University (ANU), Crawford School of Public policy, Australia	115.000 EUR

**ENV-2017-387-855\_Africa\_17.2010.1-004**

The primary aim of the project promoted by the grant includes the creation of an ELD study in Somalia on national scale, the development of capacities in national institutions to utilise the information and to duplicate similar economic valuation endeavours independently and to facilitate the inclusion of the generated information in political decision making processes.	United Nations Development Programme (UNDP), USA	115.000 EUR
The primary aim of the project promoted by the grant is to provide scientific guidance to the ELD Initiative in the context of national ELD studies and capacity development activities of partner organisations, research and study inputs as well as support to ensure that the results are included in national and sub-regional policy and decision-making processes and considered in international discussions on topics related to the fight against land degradation.	International Center for Agricultural Research in the Dry Areas (ICARDA), Lebanon	115.000 EUR
