

Contribution of GIZ Kyrgyzstan to the sustainable development: aggregated results data

GIZ in Kyrgyzstan presents regularly to all clients and the German and international public comprehensible and credible data based on a robust foundation. All projects that contribute to the selected topics and indicators report their data. This impactsheet provides an overview of aggregated data on bilateral and regional (Central Asia) projects and programmes implementing by GIZ Kyrgyzstan on behalf of the German government, the European Union and the Swiss Agency for Development and Cooperation, collected during 2021.

Employment

Health and social security

Biodiversity
