GIZ-SADC Regional Projects

Climate Resilience and Natural Resource Management in the SADC Region (C-NRM)

- Mainstreaming climate change into the SADC Strategic Planning Framework
- Knowledge management and capacity building in natural resource management and climate-smart agriculture
- Implementation of best practices in natural resource management and climate-smart agriculture in selected Trans-Frontier Conservation Areas (TFCAs)
- COVID-19 and climate-sensitive implementation of the SADC Tourism Programme

Project Number: 2019.2189.9-001

Contact: Lisa Blanken

Implementing partner: SADC

Term: January 2021 - December 2027

Budget: EUR 17 million

(EUR 13 million BMZ, EUR 4 million EU)

Transboundary Water Management (TWM) in SADC

- Support to the SADC Water Division in the development and implementation of key policies and strategies such as the *SADC Regional Strategic Action Plan V (RSAP V)*
- Support to strategic River Basin Organisations (RBOs, e.g. ORASECOM, OKACOM, KUNENE, RUVUMA, LIMCOM) to strengthen Integrated Water Resources Management (IWRM) planning and implementation
- Support to Integrated Catchment Management (ICM) in Lesotho

Project Number: 2018.2194.1-001

Contact: Henrik Otte

Implementing partner: SADC

Term: January 2020 - June 2026

Budget: EUR 41.43 million

(EUR 13.93 million BMZ, EUR 27.5 million EU)

GIZ-SADC Cooperation with Global and Regional Projects

Resilience Initiative Africa (RIA)

- Strengthening the Southern African Development Community (SADC) in implementing the SADC Regional Resilience Framework 2020-2030 in the field of risk-informed urban development
- Support, learning and exchange forums for risk-informed urban development in Africa
- Roll out a risk analysis for risk informed urban planning on sub national level for all SADC member states
- Support selected cities to develop disaster risk reduction and climate smart strategies and action plans
- Align the SADC urban resilience guidelines with the African Union guidelines

Project Number: 2022.2018.4-006

Contact: Ria Hidajat, Dr. Mmaphaka Tau

Implementing partner: SADC

Term: July 2022 - June 2026

Budget: EUR 1.2 million (BMZ)

Global Initiative on Disaster Risk Management (GIDRM)

- Strengthening disaster risk management approaches as integrated solutions in selected German DC/IC partners
- Dissemination of analyses of the enabling environment for the integration of disaster risk management approaches in selected partner countries/regions
- Supporting the integration of risk-informed development into regional value chains and sectors
- Provide tools for integrating disaster risk management approaches available
- Facilitate learning and dialogue on integrated disaster risk management approaches among relevant German DC/IC actors

Project Number: 2023.2164.4-003

Contact: Dr. Karl-Heinz Gaudry

Implementing partner: SADC

Term: November 2023 - October 2026

Budget: EUR 460,000 (BMZ)

Multi Country Cooperation with SADC Countries

Partnership Against Poaching and Illegal Wildlife Trade in Africa and Asia

- Implementation of the SADC *Law Enforcement and Anti-Poaching Strategy* (LEAP)

Project Number: 2021.2203.4-001

Contact: Lisa Blanken

Implementing partner: Global with focus on Sub-Saharan Africa and Asia

Term: March 2023 - September 2025

Budget: EUR 140,000 for Technical Advisor (global, BMZ/BMUV)

IKI Growing Greener: Restoration and Sustainable Use of Agro-Pastoralist Systems in Open Arid Landscapes Across Southern Africa

- Promotion of community-led, market-oriented agro-pastoral land use systems
- Prevention of landscape degradation while fostering sustainable rural development
- Implementation of the Herding for Health (H4H) approach in selected rural communities in Botswana, Madagascar, South Africa and Zambia
- Improving communal grazing management, herding, kraaling, value chain development, national and regional policy development

Project Number: 2021.9026.2-001

Contact: Martin Leineweber

Implementing partner: Conservation International, Peace Parks Foundation, CCARDESA

Term: October 2023 - September 2029

Budget: EUR 20 million (IKI/BMUV)

Multi Country Cooperation with SADC Countries

Project Development Programme (PDP) - Botswana Component

- Project development for increased use of renewable energy in small to medium sized enterprises
- Market and business development in the field of solar power in Botswana with focus on the commercial and industrial sector

Project Number: 2022.9014.6-018

Contact: Martin Leineweber

Implementing partner: Department of Energy

Term: June 2022 - December 2025

Budget: EUR 160,000 (BMWK)

Efficient Energy and Water Use in the Agriculture Sector in Botswana

- Use of energy efficient and renewable energy solutions on small farms
- Solar pumping, lighting and cooling
- Efficient irrigation and shading

Project Number: 2018.9067.2-008

Contact: Martin Leineweber

Implementing partner: Botswana National Development Bank (NDB)

Term: June 2023 - May 2025

Budget: EUR 1.05 million (IKI/BMUV)

Multi Country Cooperation with SADC Countries / Global Programme

Cooling Programme for Southern Africa (CooPSA)

- Programme in four Southern African countries, replacing conventional air-conditioners with green air-conditioners
- Use of ITMOs* as a financing mechanism
- Capacity development of institutions

Project Number: 2020.9091.8-005

Contact: Martin Leineweber

Implementing partner: Ministry of Minerals and Energy (MME) of Botswana

Term: December 2021 - December 2026

Budget: EUR 1.0 million (IKI/BMWK)

Sustainable Aquatic Foods

- Empowering small-scale fish farms through technical and financial training to boost aquaculture productivity without subsidies, ensuring long-term sustainability in Madagascar, Malawi, Uganda, and Zambia
- Support to national institutions to strengthen regulatory frameworks for cage aquaculture, mitigating environmental risks while promoting economic opportunities
- Combat of illegal fishing and empowering of artisanal fishers to engage in policy dialogues, contributing to equitable policies and securing livelihoods along African coasts in partnership with SADC

Project Number: 2023.0117.4-005

Contact: Lisa Blanken

Implementing partner: Malawi, Madagascar, Uganda, Zambia, SADC

Term: January 2024 - December 2028

Budget: EUR 1.2 million (BMZ)

GIZ-SADC Bilateral Project

Cooperation for the Enhancement of SADC Regional Economic Integration (CESARE)

- Regional economic integration in the areas of industrialisation and trade

Project Number: 2021.2101.0

Contact: Ulrich Plein

Implementing partner: SADC

Term: October 2023 – September 2026

Budget: EUR 31.715 million

(EUR 19.315 million BMZ, EUR 12.4 million EU)

CESARE/Trade

- Trade facilitation
- Identification, resolution and monitoring of non-tariff barriers
- Trade in services
- Simplified trade regime
- African Continental Free Trade Area (AfCFTA)
- Industrialisation in support of regional integration

Project Number: 2021.2101.020

Contact: Dr Jens Koeniger

Implementing partner: SADC

Term: October 2023 – September 2026

Budget Trade in Services: EUR 5 million

(EUR 600,000 BMZ, EUR 4.4 million EU)

Budget Trade: EUR 10.885 million (BMZ)

GIZ-SADC Bilateral Project

CESARE/Value Chain Development (VCD, SIPS) (Joint Action EU/BMZ)

- Supports Leather and PharmaMedTech value chains in innovation and quality improvement.
- Helps businesses meet regional and international standards.
- Facilitates business linkages and regional/international trade

Project Number: 2021.2101.001 (VCD)

Contact: Dr Jan Peter Böttcher

Implementing partner: SADC

Term: October 2023- September 2026

Budget: EUR 6.35 million (BMZ)

Project Number: 2021.2101.010 (SIPS)

Contact: Dr Jan Peter Böttcher

Implementing partner: SADC

Term: November 2023- May 2024

Budget: EUR 2.53 million

(EUR 530,000 BMZ and EUR 2 million EU)

Lesotho Economic Growth, Job Creation and EPA Implementation Support Programme (RVCL+)

- Capacity building on EPAs for the public sector and other stakeholders
- Creating an enabling environment for private sector development in selected value chains (agro-processing; herbs, spices, medicinal plants and light manufacturing; duck and goose feathers)
- Capacity building of MSMEs to manage selected value chains

Project Number: 2021.2101.030

Contact: Lifuo Molapo

Implementing partner: SADC/Ministry of Trade, Industry and Business Development Lesotho

Term: October 2023 – September 2026

Budget: EUR 6.95 million

(EUR 950,000 BMZ, EUR 6 million EU)

GIZ-SADC Bilateral Project

Strengthening the National-Regional Linkages (SNRL) in SADC

- Strengthening the operational and strategic cooperation capacities of the SADC national coordination structures of Member States and the regional organisational units in the SADC Secretariat for the implementation of Regional Integration agenda.
- Support the establishment of monitoring and evaluation systems for the implementation of the SADC Regional Integration agenda.
- Strengthening the strategic communication capacities of the SADC Secretariat and Member States for high-profile communication on all aspects of SADC activities, its impacts and results
- Building institutional capacity, fostering dialogue and research of regional parliamentary structures
- Enhanced capacity for coordinating and aggregating common positions of regional civil society networks to effectively contribute to SADC policy making processes in relevant regional integration.
- Enhanced research and policy formulation capacity of regional civil society networks to effectively contribute to SADC policy making processes.

Project Number: 2021.2102.8

Contact: Robson Chakwana

Implementing partner: SADC

Term: August 2022 – February 2028

Budget: EUR 11,876 million

(EUR 7.5 million BMZ, EUR 2 million EU, EUR 2.376 million ADA)

Partnerships for Prevention of Gender Based Violence in Southern Africa Programme (PfP) II

- Promoting the development of evidence-based collaborative flagships for the prevention of gender-based violence (GBV) in five partner countries
- Strengthening individual and institutional capacities of stakeholders to implement joint GBV prevention flagships in five partner countries
- Strengthening regional exchange among stakeholders to promote up-scaling of GBV prevention good practices in partnership with the SADC Gender Unit
- Improve the availability of quality data and evidence on GBV

Project Number: 21.2026.9-005.00/21.2026.9-008.00

Contact: Sara Jabril

Implementing partner: Lesotho, Namibia, South Africa, Zambia and Zimbabwe

Term: December 2021 - November 2025

Budget: EUR 2.65 million (BMZ)

(EUR 2.135 million BMZ, 515,000 Ford Foundation)

Study and Expert Fund (SFF/SEF) – Botswana Component

- The Study and Expert Fund at GIZ BW and SADC is used for the preparation of Technical Cooperation (TC) measures, the preparation of studies and expert opinions and the implementation of small-scale TC measures (up to a maximum of EUR 500,000), in particular urgent short-term measures to support ongoing and completed projects. The following activities are currently being implemented:
 - Support to the SADC Executive Secretariat and M&E
 - Portfolio-wide gender analysis

Contact: Christoph Schmidt

Implementing partner: SADC Secretariat

Term: January 2023 - December 2026

Budget: EUR 2.3 million (BMWK)
