Advisor, Private Sector Engagement – Sustainable Training and Education Programme

Contract duration: 30.11.2024

Application deadline: 13.02.2022

Duty station: Addis Ababa

The Ethio-German Sustainable Training and Education Programme (STEP) improves the employment prospects of young Ethiopians by promoting quality and relevance in vocational training and higher education. In cooperation with the Ministry of Science and Higher Education (MoSHE) as well as related agencies and institutions, the programme establishes strong linkages between the education and the private sector to support the development of a modern education system geared towards employment and economic growth. In this, employers, education providers and public authorities come together to identify their needs and jointly develop education and training solutions that best tackle the skill mismatch.

Responsibilities

The Advisor is responsible for supporting organized private sector organizations and partner companies in selected economic sectors in implementing Technical and Vocational Education and Training (TVET). She/he supports the companies to assess their Human Resource needs and plan relevant Cooperative Training models together with training providers and private sector associations and chambers. She/he assists the companies and organized private sector organizations to coordinate and implement the training, which shall lead to the employment of graduates. The advisor is responsible for the site 'Addis Ababa'.

The primary responsibilities include:

- Identifying and supporting relevant companies and organized private sector organizations in selected economic sectors, namely building construction, automotive, hotel and tourism as well as electrotechnology, in Addis Ababa to jointly plan and coordinate cooperative training implementation as well as further employment promotion measures
- Facilitating the process between involved training institutes, enterprises and business associations and/or Chambers in the implementation of the training cycle from admission to assessment.
- Assisting the identification and developing the relevant cooperative training programmes in cooperation with Programme teams and partner organizations both from the public and private sector.
- Contributing to innovation and knowledge management within the programme
