

## Queries and response

### 83385087 - Contract for Monitoring and Evaluation services for Digital Skills for Jobs and Income (DS4JI),

1. we would like to clarify whether we could submit two candidates for Expert 2 and split the number of allocated days in response to the different work packages? **Unfortunately it is not possible to submit two candidates for expert 2.**
2. We have one question, this being a "remote" project with no notable travel, should we still budget for travel for in case site visits are required when lockdown restrictions ease? **There is no travel for this assignment.**
