Queries of a commercial, technical or procedural nature must be made in writing only, reaching GIZ not later than **10th October 2022**, and addressed to:

Georgina Seshweni: Procurement Department

Email: georgina.seshweni@giz.de

Non-compliance may result in your bid not being considered.

Any queries reaching us beyond that date cannot be answered.

We will evaluate the bids received in light of both technical and price considerations (see attached Technical Assessment Grid).

When the technical evaluation has been completed, the price quotations of those bidders which are eligible from the technical point of view (more than 500 points) will be opened and evaluated by the officer responsible. Technical offers below 500 points will be considered as technically not acceptable. The technical bid and price quotation are weighted at a ratio of 70:30 respectively.

An overall order of rank is thus established, with the most cost-effective bid at the top. As a rule, contract negotiations are initiated with the bidder who submitted this offer. The next bidder on the list is invited if these negotiations fail.

It is anticipated that the evaluation of the bids submitted will be completed by **17.10.2022**

For procedural reasons, no content-related information on the progress of the evaluation will be given until a decision has been made as to the award of the contract. We would therefore be grateful if you could refrain from making inquiries in this regard. We will notify you in writing if your bid is not under consideration.

Work is scheduled to commence in **24th October 2022**. Your offer is binding until this date.

Please let us know whether we can expect to receive a bid from you by informing the Procurement Department in writing via email (georgina.seshweni@giz.de) within five days of this letter being dispatched.

Yours truly
Georgina Seshweni
