

# INTERNSHIP OPPORTUNITY

## Who we are

**GIZ supports the German Government** in achieving its objectives in the field of **international cooperation** for sustainable development. We work in a variety of fields and support our cooperation partners in designing strategies and meeting their policy goals.

GIZ Vietnam has targeted Energy as a priority area, which is being handled by the **Energy Support Programme (ESP)**. Together with the Ministry of Industry and Trade we are working on developing markets for **solar power, wind power, bioenergy, energy access, energy efficiency and smart grids**.

The Project and Portfolio Management team is responsible for the process of project acquisition, conceptualization, and preparation to ensure the development of the whole portfolio.

We are looking for a **National intern** (He/She/They) to engage in the **project and portfolio management** of our Energy Support Programme:

## National Intern

Duty station: Hanoi, Vietnam (partly remote possible)  
Duration: 06 months, starting as soon as possible, full-time

## What you get insights on

- Project and portfolio development in international development cooperation;
- Various renewable energy market segments in Vietnam;
- Policy advisory work with the Vietnamese government;
- The Vietnamese and international Energy Transition.

## What you will work on together with us

- Support the portfolio management of over 10 energy projects and all supporting processes;
- Independently take on research tasks on energy policy, energy market, green finance;
- Support the Project and Portfolio Management on internal communications and other ad-hoc tasks;
- Support the preparation of various events and business trips.

## What we need

- Proven interest in renewable energy, energy economics, sustainable development, business, or politics;
- Good research, data collection, analysis and visualization skills;
- Vietnamese working permit or nationality;
- Excellent written and oral communication skills in English and Vietnamese, German is a strong asset;
- Strong MS Office (PowerPoint, Word, Excel) skills;
- The internship requires university enrolment or the finalization of your degree no longer than six months ago upon commencement of the internship.

**Apart from a monthly allowance, successful candidates will enjoy professional and dynamic working conditions and good policies of training.**

Interested qualified candidates are invited to send the latest curriculum vitae, cover letter and copies of relevant certificates and references by email to [office.energy@giz.de](mailto:office.energy@giz.de) before **27<sup>th</sup> October 2022**.

**The internship is expected to start as soon as possible and last for 6 months.**

Note: Please state “**Application for the Internship – Project and Portfolio Management**” in the subject line. Only short-listed candidates will be contacted after the deadline. Telephone contact is not encouraged.

**GIZ – YOUR PARTNER FOR A BETTER FUTURE**
