

**Wolfram Zunzer, GIZ / WIDU.africa**

Wolfram Zunzer is project manager of WIDU.africa, a BMZ regional project implemented by GIZ that supports employment promotion in the informal sector in Africa by leveraging diaspora cash transfers. He has been working for GIZ for many years, among others as Senior Country Manager in Africa/Horn of Africa and in Peace and Security, Post-Conflict Reconstruction. He first studied Political Science and Information Science at the Free University of Berlin and then International Relations at the University of Amsterdam.
