

Circular economy for plastics? Between deepening old path dependencies and creating a new plastic free mainstream

Future Forum 2023

Agenda

1. Welcome and introduction
2. Setting the scene - Negotiations for a Global Plastics Treaty
3. Introduction to the Global Action Partnership for EPR
4. Supporting Creation of Circular Economy and Environmental Management in Developing Countries - Highlights from JICA Clean City Initiative (JCCI) International Seminars 2022/2023
5. Experiences on Textiles from Jordan – Elisaveta Kostova (GIZ)
6. Small group discussions

Setting the scene - Negotiations for a Global Plastics Treaty

Go Circular

Introduction to the Global Action Partnership for EPR

Dorothee Buerkle - Export Initiative Environmental Protection (EXI)

Supporting Creation of Circular Economy and Environmental Management in Developing Countries

INADA Kyosuke (Mr.) - Chief Representative for Europe and Head, France Office
Japan International Cooperation Agency (JICA)

Guiding questions for small groups discussions

What needs will there be in the partner countries to implement the Global Plastics Treaty?

How can the feasibility of the Plastics Treaty be strengthened in the international context?

How can the partnercountries be supported by GIZ? Is a new approach needed?

How can the needs of the Plastic Treaty after 2024 be addressed?

Thank you for your attention!
