

Call for Proposals: 83498739

Title: Expert Support for the Development of a Business Case and Legal Framework for the Preclinical GLP Toxicology Network

The Preclinical GLP Toxicology Network, led by North-West University (NWU) and supported by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ), invites qualified and experienced consulting companies to submit a proposal for the following integrated assignment:

1. Business Case Development

As part of this assignment, the appointed company will provide expertise to develop a robust and strategic business case to support the establishment of a continental network of GLP-compliant toxicology facilities. This will include defining the value proposition, financial model, sustainability strategy, operational plan, and implementation roadmap for the network.

2. Legal and Governance Framework Development

In addition, the same company will provide legal expertise to design a comprehensive legal and governance framework to guide the establishment and functioning of the Preclinical GLP Toxicology Network across partner institutions.

Applicant Requirements:

- Demonstrated experience in similar assignments, preferably in health research, pharmaceutical development, or public health sectors
- Proven track record in business case development or legal drafting for regional or international initiatives
- Ability to work collaboratively with multi-country stakeholders
-

Proposal Submission:

Interested companies may apply and the proposal must include:

- A technical proposal
- Financial proposal (in ZAR)
- Curriculum Vitae(s)
