

Call for Applications: Enhancing Market Access and Technical Capacity of Ghana's Pharmaceutical Manufacturers

Deadline for applications:
19 December 2025 (5pm GMT)

Objective.

This call for applications seeks to **identify interested Ghanaian medium and large-scale pharmaceutical and vaccine manufacturing companies** to receive tailored expert services.

Support offered.

Selected companies will receive non-financial, **tailored expert consultant services** over a period of 24 months. These services are organised into **four service packages**.

1. **Regulatory Compliance and International Certifications**
2. **Business Development, Access to Finance and Market Intelligence**
3. **International Partnerships and Intellectual Property Management**
4. **Operational Efficiency, Digital Innovation, Sustainability and Productivity**

Participation is limited, and selection will be based on merit and readiness to engage.

A **customised workplan** will be agreed with each selected company.

Download the Applicant Information Pack and the Application Form for more details on the support offered, eligibility criteria as well as the application and selection process.
