

Call for Expression of Interest: 83502096

Climate Change Impact Modelling for Key Sectors in South Africa to Support the Implementation of the Climate Change Act

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH, through the Climate Support Programme Phase IV (CSP IV), in partnership with the Department of Forestry, Fisheries and the Environment (DFFE), is seeking to appoint a service provider to develop and implement a climate change impact modelling framework for key sectors in South Africa.

This assignment aims to support the implementation of the Climate Change Act, Act No. 22 of 2024 by assessing climate change impacts, translating biophysical risks into socio-economic terms, and informing national adaptation planning and policy development. The work will involve extensive data integration, scenario development, and capacity building to strengthen South Africa's resilience to climate change.

GIZ invites eligible and professional **companies with local presence in South Africa** to participate in this tender. The tender documents are available for downloading until **09 January 2026**.

Queries must be made in writing only, reaching GIZ not later than **12 December 2025**, and addressed **strictly to: procurement.pretoria@giz.de**

Your Expression of Interest documents must be submitted only to **ZA_Quotation@giz.de** by **09 January 2026**. Please quote reference **83502096** when submitting the documentation for us not to miss your submission. Late submissions will not be accepted.
