A. About GIZ India
For details, click on: https://www.giz.de/en/worldwide/368.html

B. Project Background

Triangular Cooperation Project (TrC) is commissioned by the Ministry for Economic Cooperation and Development of the Federal Republic of Germany (BMZ) and is implemented by the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ). European Union (EU) is participated with Co-financing the BMZ initiative of Triangular cooperation.

Triangular Cooperation with India coordinates the selection of Triangular Cooperation pilots and projects along with India to be implemented in third countries in various topics of mutual interest including climate, digitalization, green energy and gender. It provides the German contributions for the implementation of the pilots and projects, where partners provide equal contributions. Triangular Cooperation is a modality in which all partners contribute and all partners benefit. It provides a good basis for building partnerships for global goals.

C. Responsibilities

- Focal point for implementing stakeholders including Indian government institutions, private sector, stakeholders ensuring continuous communication and active collaboration.
