**Advisor Nature-based Solution
Band 4**

Project Overview

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH is a German implementing organization which provides services worldwide in the field of international cooperation for sustainable development. GIZ has a record of more than 50 years of cooperation with the Association of the Southeast Asia Nations (ASEAN). GIZ in cooperation with the ASEAN Secretariat is currently preparing the implementation of the project “ASEAN-German Climate Action Programme” (CAP). The objective of this project is to improve cooperation within ASEAN for implementing ambitious climate policies. Three interacting outputs have been defined for achieving the module objective: The aim of Output 1 is to strengthen the institutional and individual capacity of the ASEAN bodies relevant to climate policy. In Output 2, the project will assist ASEAN to enhance its visibility in the international dialogue on climate policy. The activities in Output 3 support ASEAN and its member states to better to align their respective climate policies with one another.
