1.	7000005607	Tracy Ngwenya	<ul style="list-style-type: none"> Please provide pictures of the meters where the reed meters will be installed. – Willem will check Kindly clarify the purpose of the additional fly lead, as our transducers and reed switches already include cables for connection to the data loggers. – additional fly lead is to connect the logger to the reed switch. Please confirm whether the online platform and data connection are to be provided free of charge, and if so, for what period. – The supplier should decide whether to provide the platform at a price or include it free of charge. The platform access should be for a minimum of 3 years. Please provide pictures of the intended logger installation locations. – Loggers will be installed in reinforced concrete or brick chambers. 	<table border="1"> <tr> <td>5</td> <td>Procurement manager / Opening team</td> <td>The Quotation mailbox must be checked for questions on a regular basis. Answers to questions (in consultation with the project, if necessary) must always be sent from the shared Inquiry mailbox to all tenderers at the same time, with a blind copy sent to the second person.</td> <td>Inquiry mailbox / Quotation mailbox</td> </tr> </table>	5	Procurement manager / Opening team	The Quotation mailbox must be checked for questions on a regular basis. Answers to questions (in consultation with the project, if necessary) must always be sent from the shared Inquiry mailbox to all tenderers at the same time, with a blind copy sent to the second person.	Inquiry mailbox / Quotation mailbox
