- Financial bid in the format provided (price schedule)
- Technical bid, including an up-to-date curriculum vitae (CV) for each expert
- Completed self-declaration and annexes

When preparing the financial bid, you must adhere to the requirements of the specification of inputs as set out in the Terms of Reference. The technical bid is weighted at 70% and the financial bid at 30%.

GlZ also reserves the right to award the contract on the basis of initial tenders without entering into negotiations.

Sustainability

We have developed a Guide for Practising Corporate Sustainability (GPS) so that our contractors can learn about corporate sustainability at GlZ. We encourage all tenderers to complete the GPS online course and obtain the certificate.

Completing the GPS course will not influence the award decision in this procedure. However, we would very much welcome your participation: <http://gps.giz.de/en>.

Yours sincerely,

Sosthenes Msilanga
