

EXPRESSION OF INTEREST

HEALTH SCREENING/NHIS REGISTRATION FOR 60,000 PLASTIC WASTE VALUE CHAIN ACTOR.

CONSULTANCY FIRMS REQUIRED

BACKGROUND AND OBJECTIVES

The develoPPP programme, commissioned by the German Federal Ministry for Economic Cooperation and Development (BMZ) and implemented by GIZ and DEG Impulse GmbH, promotes partnerships between the private sector and development actors to drive sustainable economic development.

The project seeks to improve the overall wellbeing and productivity of actors within the plastic waste management value chain. These actors comprising tricyclists, hand-cart operators, students, aggregators, and waste pickers play a vital role in plastic waste collection, aggregation, and recycling. However, many operate under vulnerable conditions with limited access to healthcare services and social protection schemes.

To address this gap, the project intends to implement a large-scale health screening and National Health Insurance Scheme (NHIS) registration exercise targeting approximately 60,000 actors across selected regions in Ghana.

Objective of the Assignment

The primary objective of this assignment is to:

- Conduct comprehensive health screening for 60,000 plastic waste value chain actors
- Facilitate NHIS registration and/or renewal for all eligible participants
- Promote preventive healthcare awareness and early detection of health conditions
- Strengthen access to affordable healthcare services for informal waste workers

Scope of Services

The selected service provider will be responsible for:

1. Health Screening Services

- General medical check-ups such as blood pressure, BMI, blood sugar, vision screening and the like.
- Identification of common occupational and lifestyle-related health conditions
- Provision of basic medical advice and referrals where necessary

2. NHIS Registration

- New registrations and renewals for beneficiaries
- Biometric data capture and processing
- Issuance of NHIS cards or confirmation of enrolment.

3. Community Engagement and Sensitization

- Awareness creation on the importance of regular health checks
- Education on NHIS benefits and usage

4. Data Collection and Reporting

- Maintain accurate records of screened and registered individuals
- Submit detailed reports on activities, coverage, and outcomes

Required Expertise and Qualifications

Interested firms/organizations should demonstrate:

- Proven experience in large-scale health screening or outreach programs
- Strong capacity in NHIS registration processes and systems
- Availability of qualified medical personnel and logistical capacity
- Experience working with informal sector workers and community-based groups
- Ability to operate across multiple locations simultaneously
