Invitation to submit a tender: Tender No. 10040967

Project No : G-011844-003
Project Name : FORCLIME
Country : Indonesia Tender
Procedure : Negotiated award with competitive tender

Service tendered:

Consultant for Geospatial Governance and Spatial Data

Dear Sir/Madam,

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH is an international cooperation enterprise for sustainable development with worldwide operations. Its corporate objective is to improve people's living conditions on a sustainable basis. GIZ has been working in Indonesia since 1975 on behalf of the German Government. GIZ supports the German government, particularly the German Federal Ministry of Economic Cooperation and Development (BMZ) in reaching its objectives in international cooperation. For further information, please visit <http://www.giz.de/indonesia>

As part of the Forests and Climate Protection project (FORCLIME), GIZ supports the Government of Indonesia in strengthening forest governance, sustainable land-use management, and the implementation of licensing reform. Under this framework, FORCLIME contributes to the National Strategy for Corruption Prevention (STRANAS PK) by supporting the Corruption Eradication Commission (KPK) in enhancing governance in the forestry and natural resource sectors, including through digital governance initiatives such as e-Korsup and JAGA Hutan.

To strengthen these initiatives, GIZ is currently seeking a consultant/Individual/appraiser for Geospatial Governance and Spatial Data to provide strategic and technical advice to the GIZ Project Team (Advisors) and KPK on applying geospatial analysis to good governance, licensing reform, corruption prevention in natural resources, and beneficial ownership transparency for evidence-based policymaking and digital governance.

The objective of this assignment is to strengthen evidence-based governance of natural resource licensing by applying geospatial analysis to support corruption prevention, licensing reform, and transparency of beneficial ownership.

Should you be interested in providing this service, please send your proposal to ID_Quotation@giz.de on **03.08.2026 at 23:59 Jakarta local time** at the latest (proposals sent after this date will be automatically disqualified).

Tender requirements:

1. Requirement and the Content of The Technical and Financial Proposal

Proposal must be signed by the bidding consulting/company using the Price of Schedule Form provided as Annex 3 of this Invitation.

Proposal should be submitted in English and must be sent by email to : ID_Quotation@giz.de (Only) no later the date and time indicated in section 2 above.

Bids are to be submitted using the two-files procedure.

Please submit your technical and financial proposal in two-files, technical and financial (PDF format). Price information shall not appear in any part of technical proposal.

To secure your financial proposal (pdf and excel file) please set up a password which will be used at later stage once the evaluation of the technical proposal is completed. The proposers who achieve the technical score will be requested to provide a password.

Please make sure to save the password. Bidders are not allowed to change the password after the deadline of submission.

The maximum size of each email should not exceed 10 MB.

The subject line of the email will include the reference **RFP No. 10040967 - Geospatial Governance and Spatial Data Expert and (the name of the submitting expert).**

Content of Technical and Financial Proposal as follows:

Technical Proposal should consist of:

- Proposal with requirement details as set forth in the Term of Reference
- Update Curriculum Vitae

Financial Proposal:

- Financial Proposal with Price Schedule form as Annex 3, it must be signed
- All prices/rates must be inclusive of income tax (PPh 21)
GIZ obliged to withhold the income tax.
- The currency of the financial proposal shall in IDR
- **Financial Proposal shall be protected by password.**

2. Value Added Tax

Not Applicable

3. Technical and Financial Assessment or Evaluation

We will evaluate the bids received in the light of both technical and price considerations. The technical proposal will be evaluated based on the criteria and weighting (Annex 2 Technical Assessment Grid).

All financial factors will be analysed and compared to ensure that the price of each item is reasonable and comparable. A financial proposal may be corrected in the following cases: inconsistencies/discrepancies, calculation errors, and unjustified additions or omissions. GIZ will inform each bidder of the changes and ask them to either accept the corrections or reject them. All corrected financial proposals rejected by the bidders will be rejected. Only the financial proposals that satisfy all the requirements at the preliminary examination stage will be qualified for the detailed financial evaluation stage.

When the technical evaluation has been completed, the financial proposal of those bidders who are eligible from the technical point of view will be opened and evaluated by the commercial officer responsible. The technical and financial proposals are weighted at a ratio of 70:30, respectively. The technical bid will be weighted with 70% and the financial proposal with 30% based on the following formula: (Technical points obtained by Bidders X divided by the best number of points) x 70 % + 30 % x (Lowest price divided by the price of Bidders X).

$$\frac{\text{Technical evaluation of bid} \times 70\% + \text{most economical bid} \times 30\%}{\text{Technical evaluation of the best bid} \quad \text{price of the bid}}$$

An overall order of rank is thus established, with the most cost-effective bid at the top.

If necessary, GIZ has the right to invite bidders for a presentation proposal as it is part of the technical evaluation process.

4. Validity of Proposals

Proposals should be valid for a period of not less than 100 days after proposal opening, unless otherwise specified in the specific terms and conditions. Bidders are requested to indicate the validity period of their proposal.

5. Modification/withdrawal of the bid

Adjustment to or withdrawal of bids is to be communicated in writing by post by the deadline for submission of bids. Subsequent adjustments or modifications to the bid, which can be submitted up to the deadline for submission of bids, shall also be subject to the requirements for sending in the bid.

"Adjustment to 10040967 Geospatial Governance and Spatial Data Expert"

6. Contract Award / Adjudication of Proposals

The contract will be awarded to the bidder who offers the most responsive evaluated proposal and whose services are both commercially and technically acceptable (best overall value). If necessary, GIZ will negotiate only with the highest-ranking bidder.

Please raise any commercial, technical, or procedural questions before 29.07.2026.
All questions should be submitted in writing to the email address Contract-Procurement-ID@giz.de. The questions will be answered without identifying the sender. Both questions and answers will be forwarded to all bidders involved in the bidding process.
Thank you for your attention, and we look forward to hearing from you.

Yours faithfully,

GIZ Office Indonesia
