Internal order: **11971990000**
Country: **South Africa**

Type of procedure: **Public invitation to tender**

Invitation to submit a tender

Dear Sir/Madam,

We intend to award a contract for the services/works described in the enclosed procurement documents.

Please submit your self-declaration of eligibility using the designated form and your technical and financial bids by 25. November 2026 23h59 in English OR *Language* only to *ZA_quotation@giz.de*.

The email subject line should be in the form of: Transaction no-10064809- Organizational Development of MGCA

Details of our submission requirements are explained in the enclosed terms and conditions for application. Tenders which are submitted after the deadline, or which do not comply with the terms and conditions for application, will not be considered.

By submitting your tender, you accept GIZ's General Terms and Conditions of Contract (in the currently valid version).

Please note that this is a public invitation to tender so there will be no negotiations.

Please note that when you submit a tender, it remains binding until the expiry of the deadline. The contract will come into force when GIZ issues the contract award notice within the deadline.

The tender documents listed below must be submitted in full and as separate documents:

- Completed self-declaration and annexes
- General administrative documents
- *Valid SARS Tax Clearance Certificate with PIN*
- Bank Letter (not older than 3 months) indicating your company banking details
- Financial bid in the format provided (price schedule)
- Technical bid, including an up-to-date curriculum vitae (CV) for each expert and concept

When preparing the financial bid, you must adhere to the requirements of the specification of inputs as set out in the Terms of Reference. The tenders received will be subject to a technical evaluation based on the CV and the concept in accordance with the technical assessment grid (see annex). Only tenders that score over 500 points in the technical evaluation will be accepted for the financial evaluation. Technical bids that fail to reach this cut-off point will be regarded as unsuitable.

The technical bid is weighted at 70% and the financial bid at 30%.

If you have any questions regarding the tender, please send them **no later than 20.November 2026** to procurement. pretoria@giz.de. All clarifications will be communicated simultaneously in writing to all interested parties.

Planned schedule for the rest of the procurement procedure

Contract award and information about the result of the evaluation	31.December 2026
End of binding period (i.e. tenders no longer legally binding)	31.January 2027
Commencement of service delivery	31.December 2026

Sustainability
We have developed a Guide for Practising Corporate Sustainability (GPS) so that our contractors can learn about corporate sustainability at GIZ. We encourage all tenderers to complete the GPS online course and obtain the certificate.

Completing the GPS will not influence the award decision in this procedure. However, we would very much welcome your participation: https://gps.giz.de/en/.

Yours sincerely,

Deutsche Gesellschaft für
Internationale Zusammenarbeit (GIZ) GmbH

Procurement and Contracting Unit
