(Construction Works - RFP No. 10032031)

Project No: G-011844-001
Project Name: Forests and Climate Change Program (FORCLIME)
Country: Indonesia

Construction Works:
Construction of Palm Sugar Production House in Central Sulawesi

Dear Sir/Madam,

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH is an international cooperation enterprise for sustainable development with worldwide operations. Its corporate objective is to improve people's living conditions on a sustainable basis. GIZ has been working in Indonesia since 1975 on behalf of the German Government. For further information, please visit http://www.giz.de/indonesia.

The Forests and Climate Change Program (FORCLIME) supports the Government of Indonesia in its endeavour to mitigate the effects of climate change through forestry sector reform, capacity development and implementation of best management practices for sustainable forest management and biodiversity conservation. Field-based activities are being supported in selected districts of the provinces of Papua, West Papua and Central Sulawesi to Reduce Emissions from Deforestation and Degradation ("REDD" activities) and develop a forest-based bioeconomy. FORCLIME is funded by the German Federal Ministry for Economic Cooperation and Development (BMZ) and implemented by GIZ (German International Cooperation) with the Indonesian Ministry of Environment and Forestry as the Program Executing Agency.

Currently, FORCLIME is seeking a construction company to build Palm Sugar Production House in Central Sulawesi. The activity is aims to support the Development of Palm Sugar Products in the Lore Lindu Biosphere Reserve Area. It is intended to award the contract for the Works as detailed in the attached ToR, Drawings and Specifications, and Bill of Quantity.

According to PMK No. 215/PMK 03/2008 and KMK No. 17/KMK 010/2021, the Value Added Tax will be exempted by BADORA (code 080). The process of obtaining the tax exemption will take approximately 2 to 3 months.

4. Validity of the Bid

BoQ should be valid for a period of not less than 100 days after bid opening, unless otherwise specified in the specific terms and conditions. Bidders are requested to indicate the validity period of their bid.

5. Modification/withdrawal of the bid

Adjustment to or withdrawal of bids is to be communicated in writing by post by the deadline for submission of bids. Subsequent adjustments or modifications to the bid, which can be submitted up to the deadline for submission of bids, shall also be subject to the requirements for sending in the bid.
" Adjustment to 10032031 Forclime Construction of Palm Sugar Production House"

6. Contract Award

The contract will be awarded to the contractor who offers the most responsive evaluated proposal and whose services are commercially and technically acceptable (best overall value).

Please raise any commercial, technical, or procedural questions before **06.11.2026**. All questions should be submitted in writing to the email address Contract-Procurement-ID@giz.de. The questions will be answered without revealing the sender's identity. Both questions and answers will be forwarded to all bidders involved in the bidding process.

Thank you for your attention. We look forward to hearing from you.

Yours faithfully,
